

Camp Horizon provides kids and teens the opportunity to have fun while receiving support in their grief processes. This one-day camp offers the participants the chance to share their experiences of grief while building friendships and enjoying a relaxing summer experience.

“As each new day rises and sets on the horizon, we remember them.”

**A Therapeutic Grief Camp  
for Children**

**Sponsored by the  
Sacred Journey Hospice Foundation**

## What is Camp Horizon?

Camp Horizon offers a unique therapeutic approach for children and teenagers who experience grief from the loss of someone they know. This one-day camp setting provides the environment to learn, share, and care differently than traditional methods by combining it with typical summer fun.

## What types of activities are planned?

Camp Horizon helps campers cope with the death of a loved one while enjoying art projects, physical activities and fun with friends. Some of our activities are centered around the participants' grief processes, while others allow them to simply experience summer fun. Throughout the program, we foster a safe environment where participants are free to express themselves, have fun and build friendships.

## Who can participate in Camp Horizon?

Camp Horizon is open to children and teenagers ages 7 to 15 who have experienced the loss of a loved one.

## Where is the program held?

Camp Horizon is held at various locations in Henry County during the summer. Our first camp was held at Noah's Ark in Locust Grove.

## How much does the camp cost?

Camp Horizon is a project of the Sacred Journey Hospice Foundation. Therefore, camp is provided free of charge for all children.

## How do I register my child?

Additional information regarding Camp Horizon and registration materials are posted on the Sacred Journey Hospice Foundation's website each spring. Complete and return the materials by the designated deadline as space is limited. A confirmation letter will be sent to confirm your registration.
